Why Lucknow UP is a destination for the EXHIBITORS ?

Reasons to Participate in 31st International Rice Grain Pro Tech Expo – Lucknow (Uttar Pradesh)

Lucknow, capital city of Uttar Pradesh, is one of the biggest markets of Rice and Grain Milling Industry. The central destination of the city makes it an ideal choice for the exhibition as it attracts the millers from entire Uttar Pradesh, Uttarakhand, Bihar, Madhya Pradesh and Delhi.

Uttar Pradesh, being an agricultural state has well supported milling industry. The state boasts of being a major Rice, Wheat & Dal trade centre for quite a long time. There are more than 500 Dal manufacturing units in UP.

Uttar Pradesh is the largest producer of wheat (35.50 million tonnes) with an all India share of 32.42 per cent in 2020-21. Wheat alone accounts for more than 50% of the state's total food production. In the year 2025, the total wheat production in UP in 2022 at 359 lakh metric tonnes (LMT). Uttar Pradesh is the second biggest producer of rice in India, has a share of around 13% in the country's rice production of 122.27 million tonne (MT) in 2024-2025 crop year (July-June). Uttar Pradesh ranks 4th in terms of pulses production in India. And, the annual production of pulses in India from UP stands at 2621.15 tonnes in FY 2024-25. Gram pulse tops the pulse name list as it has the highest crop area for production.

The government of Uttar Pradesh take initiative to update 2000 rice mills in order to produce high quality rice. The government is working in the direction to support rice mills to upgrade their machinery, focus on capacity building, and make use of modern technology. The rice mills are also focussing on production of fortified rice for fulfilling nutritional needs of the population. The state has more than 4000

rice, dal and roller flour mills. The neighbouring state of Uttarakhand has more than 393.79 lakh ha area under rice cultivation and has the presence of more than 600 rice, dal and flour mills. Bihar, an adjacent state of Uttar Pradesh has more than 3000 rice mills, dal mills and flour mills and is one of the emerging grain markets in India.

It is a golden opportunity for all the Rice, Roller Flour, Seeds and Pulses milling machine manufacturers/dealers/suppliers and its allied industry to participate in the forthcoming Grain milling exhibition in Lucknow and exhibit their latest technology to the millers of the granary of India. It is a wonderful chance for grain machinery manufacturers and its allied industry to explore the regional market as the demand for the agro-processing and grain milling machinery in these states is catching up fast. The current state governments too have been aggressively promoting the modernization under the governance of Government of India.

The Business Empire Exhibitions ensures that this exhibition will be the biggest platform for all the exhibitors to exhibit their technically advanced and modern machinery and benefit the Grain Milling Industry. The millers will also get a chance to see the latest technology from India and overseas just at their doorstep.

We are proudly supported by:

- The UP Rice Millers Association
- The UP Dal Millers Association
- The UP Roller Flour Millers Association
- Bihar Rice Millers Association
- Uttarakhand Rice Millers Association
- The Federation of All India Rice Millers Asso.

A Report of 23rd Exhibition

Rice Grain Pro-Tech Expo 2023

at Football Ground, Dilkusha, Cantonment Area,

LUCKNOW, UTTAR PARDESH

The silver jubilee show of Business Empire Exhibitions in Uttar Pradesh's capital city of Lucknow was a grand success. With over 130 exhibitors and thousands of trade visitors, the show, held between February 24-26, 2023, was most successful grain milling expo ever in UP. The show was meticulously planned and lived up to the industry standards.

The 25th edition show was held in partnership with UP Rice Mills Association, UP Dal Millers Association and UP Flour Millers Associations. The visitors came not only from different districts of UP, but also from neighboring states like Punjab, Haryana, and Bihar. A large number of visitors also came from Nepal.

Shri Brijesh Pathak, Deputy Chief Minister, UP inaugurated the exhibition on February 24, 2023. He applauded the efforts of UP Rice Mills Association and Business Empire Exhibitions for promoting new technology in grain milling production. He said it was because of the efforts of

BJP government that business and investment flourished in the state. He also added this exhibition was a great service to state's rice and grain milling industry. During the show, there was a live demo of over 500 machines. New machines were also launched.

UP Finance Minister Shri Suresh Khanna was the chief guest during state level rice millers meet on the second day of the exhibition i.e February 25, 2023. Addressing the gathering, Shri Khanna assured that UP government was fully committed to provide all possible help to the grain milling industry in the state.

Surinder Gupta, chief organiser, Business Empire Exhibitions, thanked all the exhibitors & visitors, UP government officials and UP Rice Mills Association for making this show successful. He said both exhibitors and visitors benefited from the show. "Business Empire group today stands for quality and trust. Our team will keep working hard to serve the grain milling industry," he added.
