21st International RiceGrain Pro-Tech Expo 2019

National convention and huge miller's rush led to success of India's biggest and most preferable Rice & Grain Milling Exhibition in Burdwan (W.B.)

The 21st International Rice & Grain Milling Machinery Expo was held in Children's Cultural Centre, Kalpataru Math, Alangunj, Near NH-2, Burdwan (W.B.) India from November 22-24, 2019. Show was sponsored by Burdwan District Rice Mills Association, and Supported by Bengal Rice Mills Association.

This international exhibition was inaugurated by Shri Jyotipriyo Mallick (Honourable Minister-In-Charge Food & Supplies Department-Government of West Bengal), while Shri Pradip Mazumdar (Advisor on Agriculture to Honourable Chief Minister-Government of West Bengal) and Shri DebuTudu (Honourable Sabhadipati, Burdwan Zila Parishad) graced the event as guest of honour. Shri Manoj Agarwal, IAS (Principal Scretary Food & Supplies - Govt. of West Bengal), and other senior officers of Burdwan district administration were present as the special guests in the show.

On eve of the third day, closing ceremony was held under esteemed presence of Sri Sapan Debnath (Honourable Minister-In-Charge Animal

Resource Development - Govt. of West Bengal).

A huge zealous participant of Rice Millers, Dal Millers and Flour Millers from West Bengal, Odisha, Bihar, Jharkhand, Assam and neighbor countries like Bangladesh, Nepal visited the show. More than 170 exhibitors from India & abroad participated in this exhibition and displayed their new machinery and advance technology.

It included modern rice mill plants, dal-flour milling machineries, dryer, silos, colour sorter, cleaning-grading equipments, packaging machinery & material, paddyparboiling plant, air compressors, roofing structures, gensets and automation solution providers etc. There were several prominent machinery manufacturers from India, China, Spain, HongKong, Turkey, Denmark and more.

Sh. Surinder Gupta (Founder and Chief Organiser-Business Empire Group) organizing this international expo, said that it was the third such big rice and grain milling show being held in the state of West Bengal.

According to him, new rice mill machinery is need of the hour in the rice

and grain industry. The agriculture land is shrinking day by day and production of the paddy is tegnant for last many years in India.

On the other hand, population is increasing rapidly. In such difficult situation the only suitable way is to decrease the losses and increase output by setting up the modern plants in the mills. "We need a cohesive approach to bring technology and agriculture planning together," he said.

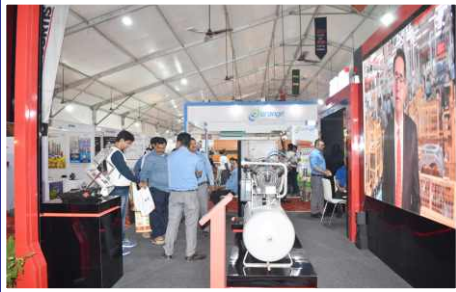

The exhibition was freely opened to all the rice millers, rice exporters, dal millers, oil and flour millers, brokers and equipments dealers.

Business Empire Exhibition thanked to Shri SushilChoudhary (President-BRMA), Shri D. N. Mondal (Hony. Chairman-Bengal Rice Mills Association), Shri Abdul Mallik (Working President - BRMA), Shri ManojFogla (General Secretary - BRMA), Shri Raj Kumar Suhana (Vice President - BRMA), Shri SubarataMondal (General Secretary - BDRMA)

Shri Sushil Choudhary (President-BRMA) had announced the next exhibition would be organised in the month of November 2020 at Siliguri, West Bengal.
